(Create A Culture – Leadership)

A Welcome Message from Dawn Bilodeau, Chief of DoD Voluntary Education:

Welcome to the Team! Your desire to sign a Voluntary Education Partnership Memorandum of Understanding with the Department of Defense is the first step toward entering into a committed partnership that provides opportunities for Service members and their families to realize their educational goals. With your support, DoD can deliver on our promise to Service members to avail themselves of quality educational opportunities.

FY16 VolEd Review
(Institutional Compliance Program)

January 23, 2017, launch of new Institutional Compliance Program (ICP) or third party review of educational institutions.

The Methodology:
- Incorporates “Best Practices” from government and industry.
- Wider selection of educational institutions; two tiers of review.
- Less burdensome on Service Components, DoD Installations, and educational institutions.
- More comprehensive.
- Fully transparent process and assessment outcomes.
- Work together to resolve findings.
- Annual cycle; collect lessons learned and implement process improvements.
- Cultivate a “Culture of Compliance.”

FY16 VolEd Review
(Academic Readiness)

- Refers to an individual being academically prepared for the rigors of study at an institution of higher education.

- Several aspects to be considered: foundational classes, online college placement exams, and academic skills courses.

- DoD provided tools:
  - Online Academic Skills Course (OASC) to build upon reading comprehension, vocabulary, and math skills.
  - College Placement Skills Training (CPST) to assist with scoring well on college entrance exams.

- Available to all Service members (Army, Air Force, Marines, Navy, Coast Guard, National Guard and Reserves) and their families.

FY16 VolEd Review
(Tuition Assistance)

- TA is one, of many financial assistance options available to Service members to pursue education-related goals.

- TA uniform policy:
  - Up to $250 per Semester Hour, or equivalent.
  - $4,500 maximum per fiscal year (renews each October).
  - Books and fees are NOT covered by TA.
  - Courses taken during off-duty time; leading to a degree plan.
  - Available for vocational-technical, undergraduate and graduate programs (certificates, associates, bachelors, and masters).
  - May be used for academic coursework leading toward credential or license.
  - Repayment required for withdrawal after add/drop date or failure to complete a course.

- Eligibility for TA is determined by the Service (i.e., time in service, training status, fitness and conduct standards).
DoD has partnered with the American Council on Education (ACE) to provide a means for military members to receive college credit recommendations for their military experience.

ACE evaluates military training, education, and occupational experiences and those recommended credits are displayed on the Joint Services Transcript (JST).

The JST also includes college courses and test scores for college-level exams taken while in the military.

Community College of the Air Force maintains its own transcript service as an accredited institution.

In FY16, ACE reviewed over 400 military courses and occupations and recommended more than 4,000 credit hours for college credit.
Congressionally authorized in 1993 to assist transitioning Service members and veterans:
- To transition into second careers as teachers.
- With meeting the requirements necessary to become a teacher in pre-K through grade 12 schools.
- Find employment as a teacher within the public education system.

Counseling and referral services:
- Individualized counseling and transition planning.
- Teacher certification and licensing requirements.
- Teaching vacancies and hiring.

Financial assistance and incentives ($10K maximum):
- Up to $5K stipend to assist with teacher certification costs.
- Up to $5K bonus to teach in eligible school.
- Up to $10K bonus to teach in high-need school.
